Support The Campaign To Fight Canine Cancer

December 2011, No. 2

Dear Don,

The December 31st deadline for donations to the BCCA's Challenge Fund to raise money for cancer research is fast approaching. Anonymous donors have pledged to match up to \$5000 in individual donations. Our goal is to inspire all BCCA members to donate at least \$10 to fight canine cancer and to celebrate the lives of the dogs they love.

There are more than 77 million dogs in the United States, and 1 in 3 of these beloved family members will be diagnosed with cancer during their lifetime. **THAT'S MORE THAN 25 MILLION DOGS WITH CANCER.** Donate to help find new ways to identify, treat and cure cancer so we can stop the spread of this deadly disease.

The Canine Cancer Campaign is helping scientists worldwide prevent, treat and, ultimately, cure cancer in dogs. Morris Animal Foundation believes that, working together, we can one day cure canine cancer.

Please join us in this special campaign to raise money to fund groundbreaking research to prevent and treat canine cancer through the Morris Animal Foundation. Much progress has been made in recent years to fight canine cancer, but there is still work to do.
